

The Municipal Corporation of the Town of Fort Erie

BY-LAW NO. 96-2000

BEING A BY-LAW TO SET THE 2000 TAX RATES AND TO LEVY TAXES FOR THE YEAR 2000 (F22)

WHEREAS Section 368(2) of the *Municipal Act*, R.S.O. 1990, Chapter M.45, as amended provides that for the purposes of raising the general local municipality levy, the Council of a local municipality shall, each year, pass a by-law levying a separate tax rate, as specified in the by-law, on the assessment in each property class in the local municipality rateable for local municipality purposes, and

WHEREAS Section 368(4) of the said *Municipal Act* provides that the tax rates to be levied under subsection (2) or (3) are subject to the following restrictions:

- The rates must be set so that, when they are levied on the applicable assessment rateable for local municipality purposes, an amount equal to the general local municipality levy or special local municipality levy, as the case may be, is raised.
- 2. The rates on the different classes of property must be in the same proportion to each other as the tax ratios established under section 363 for the property classes are to each other, and

WHEREAS Section 368(8) of the said *Municipal Act* provides that a local municipality may, with the written approval of the Minister of Finance, set a tax rate for a property class that is lower than would otherwise be allowed.

WHEREAS the Municipal Council of the Town of Fort Erie must finalize its 2000 local municipality rate in order for the final billing to proceed, and

WHEREAS the Regional Municipality of Niagara has by By-law No. 17-2000 set the tax rates for Region, Waste Management and School Board purposes, and

WHEREAS the Provincial Minister of Finance, the Honourable Ernie Eves, has been requested to approve a tax rate reduction for the industrial and large industrial classes that is lower than would otherwise be approved under Section 368

WHEREAS as a result of Bill 79, local municipalities are prevented from issuing 2000 final tax bills to taxpayers in the commercial, industrial and multi-residential classes without including the 10-5-5 rebates/clawback adjustments for 2000 and since these amounts cannot be determined without the Province of Ontario OPTA software, it is deemed expedient to run separate final billing processes for residential tax bills and those bills affected by the 10-5-5 cap, and

By-law No. 96-2000 Page Two

WHEREAS the residential tax bills will be sent out at the regular time with due dates of June 30th and September 29th and mailings will occur for the multi-residential, commercial and industrial classes following readiness of the OPTA software, and

WHEREAS it is necessary for the Municipal Council of the Corporation of the Town of Fort Erie, pursuant to the *Municipal Act* to levy on the whole rateable property according to the last revised assessment roll for the Corporation of the Town of Fort Erie the sums set forth for various purposes in Schedule "A" annexed hereto for the current year, and
